

Sector Northern New England RRT Briefing 2018

LCDR Nick Lajoie

Incident Management Division Chief

and

Mr. Wyman Briggs

Emergency Management Specialist

FY18 Case History

Since May 2018:

- 107 NRC reports
- 17 MEP cases
- 14 LOWs issued
- 1 NOV issued
- Notable case: Smith's Lobster Co-Op

Industry Training

- CG Sponsored
- 5 Months
- Exxon Mobil, Sprague Energy, Maine DEP
- Strengthened partnerships, deeper understanding of Port dynamics, more competent response officer.
- Just a beginning!

Smith's Lobster Co-Op

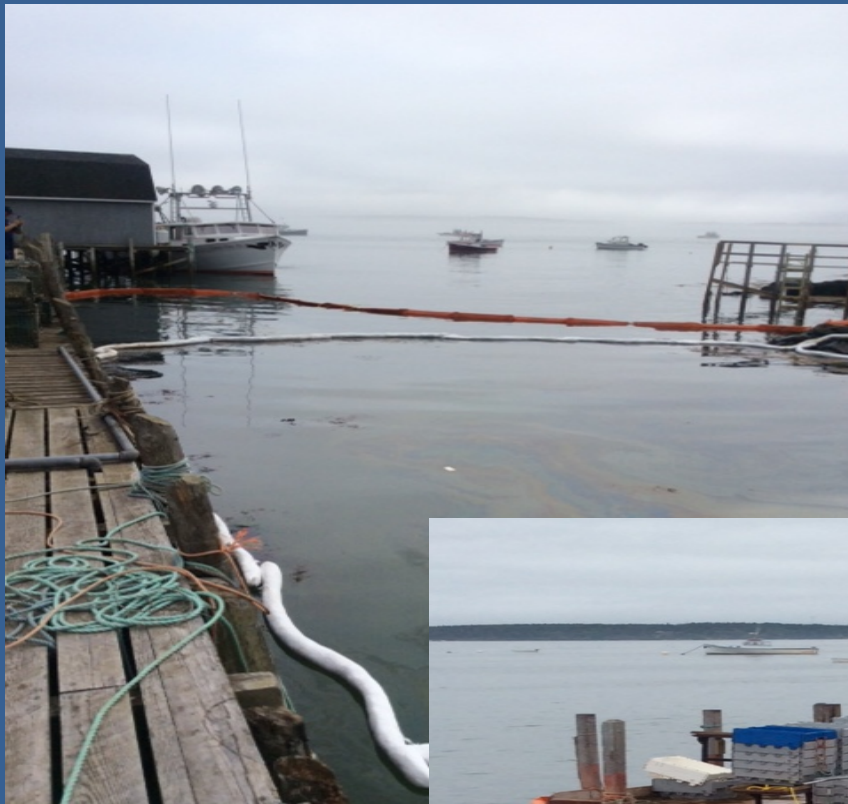

Jonesport, ME

Smith's Lobster Co-Op

Jonesport, ME

Challenges

- Pre-Winter weather has resulted in sinking of multiple CFV/SV.
- Remote Maine
- Lack salvage options
- Proactive messaging

MST Consolidation

- PREV/RESP MST Bullpen
- Single duty section w/PQS
- Clear expectations
- Promotes competency development
