**ALASKA REGION SPILL RESPONSE EMERGENCY ENDANGERED SPECIES ACT  
POST-RESPONSE CONSULTATION CLOSE-OUT**

This document is intended to complete emergency consultation with the National Marine Fisheries Service and U.S. Fish & Wildlife Service (the Services) for species listed, and critical habitat designated under, the Federal Endangered Species Act (ESA). The information provided within is the final step in the request for concurrence that emergency spill response activities undertaken did not adversely affect federally listed species and/or critical habitat. This form is not intended to alter any provisions of the Inter-agency Memorandum of Agreement Regarding Oil Spill Planning and Response Activities signed by six federal agencies in 2001.<sup>1</sup>

This post-response documentation should be completed and submitted to the Service(s) emergency contact as soon as possible after all response activities have been concluded.

**Emergency Contact:** The Services should be contacted as soon as possible by telephone and email at:

U.S. Fish & Wildlife Service	fwsakspillresponse@fws.gov	Cell: 907-242-6893	Alt: 907-750-8527
National Marine Fisheries Service	sadie.wright@noaa.gov	Off: 907-586-7630	Cell: 907-957-8147

The Federal On-scene Coordinator (FOSC) and the Service(s) will jointly review and evaluate the effects of response activities on listed species and/or critical habitat. If the response resulted in adverse effects, formal consultation will be initiated. If no adverse effects occurred, ESA consultation is complete.

**\*IMPORTANT\***

This consultation has been issued an Environmental Consultation Organizer identification number (ECO#) by NMFS which will remain open until NMFS consultation is complete.

This consultation has been issued an Environmental Online Conservation System – Tracking and Integrated Logging System (ECOS – TAILS) identification number by USFWS, which will remain open until USFWS consultation is complete.
